13x26 Template

Submit final files to: service@custompopouptents.com

This template is designed at a 10% scale of the final product. Rasterised artwork supplied at 300dpi to suit this template size is the minimum requirement for a high quality final print

- All colors must be converted to CMYK.
- Artwork should touch the black outlines.

- Design on the "artwork" layer or add your own layers below the "template" layer.

- Outline all fonts and expand lines. (Tip: Save a copy of your file before

converting to outlines incase you need to change text, etc.)
