Andis Blade Line

UltraEdge® Blades - Exclusive hardening process keeps blades sharper for a longer time. Special chrome finish inhibits corrosion.

EGT™ UltraEdge® Blades - Electro-Glide Technology (EGT) coating feeds hair better for faster cutting and a smoother finish. Reduces corrosion, resulting in longer blade life.

EGT™ UltraEdge+® Blades - Specially engineered tooth pattern for super-smooth results. EGT feeds hair better for faster cutting and a smoother finish. Reduces corrosion, resulting in longer blade life.

CeramicEdge® Blades - Advanced formula ceramic cutter stays up to 75% cooler than steel and provides increased durability for a long-lasting edge.

ShowEdge® Blades - For the perfect show finish. With more teeth, they glide effortlessly through the coat to create an extra-smooth finish for professional results.
