**2. RULES AND REGULATIONS**

Points are calculated on the tendered amount before taxes. Tenders include but are not limited to cash, Visa, MasterCard, American Express, Debit, cheque, and gift cards. Sales must be under the member’s Stevensville Garden Gallery Bloom Rewards account to earn points. Phone number must be presented at the time of purchase to collect points. Customers earn 50 points per dollar of products purchased (before taxes) and generate a 1% reward. For example, 50,000 Bloom Rewards points = \$10.00 redeemable towards future purchase. Points may be redeemed at any time as long as the member has a point balance of at least 50,000 points. Points are not issued for the purchase of gift cards, Cash-back, all labour and landscaping services and materials, freight and delivery charges, donations, ticket sales, Urn club memberships, or plant storage. The Bloom Rewards program cannot be combined with the fundraiser program or any other offer. As a reward for your continued loyalty to the Grow for the Green program, when we move existing members to the new Bloom Rewards program, Stevensville Garden Gallery will add a one-time, 5,000 point bonus to your new Bloom Rewards account. If the cardholder makes an in-store purchase on the date of their birthday, Stevensville Garden Gallery will add 25,000 points to the cardholder’s account.

This is a Stevensville Garden Gallery program and is only valid at the Stevensville Garden Gallery location. Existing accounts with Stevensville Garden Gallery including those with contractor discounts and/or terms do not qualify to collect or redeem points. Points are not redeemable for cash. Points will be forfeited upon the closure of a Bloom Rewards account. Stevensville Garden Gallery reserves the right to change or discontinue the Bloom Rewards program at any time, without advance notice. Stevensville Garden Gallery is not responsible for any lost or unauthorized use of points or for any redemption of points in the Bloom Rewards program. Stevensville Garden Gallery will not be liable or responsible in any manner for any tax consequences which may arise from any participation in the Bloom Rewards program. Stevensville Garden Gallery assumes no responsibility for errors, omissions or delays in the reporting or transferring of points earned in the Bloom Rewards program. Any failure to comply with any of these terms and conditions or any violation, fraud or abuse of the Bloom Rewards program may result in forfeiture of all points and possible account termination without compensation as deemed appropriate and necessary by Stevensville Garden Gallery.
