

HELPING **ALL** WE CAN...**ONE** AT A TIME.

DIRECTOR'S NOTE

Deanna Wallace
AAO Executive Director

I hope this note finds you all enjoying the holidays. I'm happy to report that our kids had a wonderful Christmas, with help from Billy Daly, Selina Smyth and the entire Smyth family! Once again, they were so generous, providing gifts and funds for a party. I'll let these photos speak for themselves. The smiles on the children's faces say it all! We can't thank the Daly/Smyth family enough for all they do to bring joy to our kids!

As you know, it's been a struggle for us to keep going this year, due to extreme financial deficits and heartbreaking natural disasters. We pray that this new year brings fresh opportunities for more security in funding, and we welcome your help in making this possible. **Please consider making a year-end gift to All As One. And don't forget how important it is to spread the word about the Center and the kids' needs, as we never know what that one *share* will bring. Thank you for all you've done this past year! We wish you a beautiful new year of peace and love!**

Thanks to those who gave over \$500 in November 2017:

Chris Briers - Nicholi & Fallon Long

And thank you to our regular monthly supporters, who make our work possible!
