

## HELPING **ALL** WE CAN...**ONE** AT A TIME.

### DIRECTOR'S NOTE

**Deanna Wallace**  
*AAO Executive Director*

The kids are healthy and happy at the time of this writing, and they send enthusiastic greetings to all of our supporters!

All As One wants to thank all of you who helped us raise the funds we urgently needed in May. We told you what we needed, and our needs were met! I'm overwhelmed by the love our supporters show our kids. The great news is that we received enough to cover the budget for the month of June, as well – what a relief!

**But, of course, we still need to raise money every month. And we hope that the generosity we've been shown will continue.**

It's the beginning of the rainy season, which is always a challenging time in Sierra Leone. **We need to do repairs on our home to make things more water-tight, and that takes extra funds.** There is also an underlying fear that comes along with this time of year, due to the devastating trauma of past flooding and mudslides. Please keep the kids and the entire country in your thoughts and prayers. Despite the tragedies they've experienced, the children are filled with a joy that isn't easily diminished. They are such an inspiration to me!

**Please share our needs with any and all who will listen, and give as you are able. Thank you again for all you do!**
