# WELCOME

Summer is like a basket of fruit... or something like that...

Introducing our August Craft Beer 6 Pack- The Fruit Basket! Now, it has been some time since we last did a fruit-themed beer 6 pack... Which just means there's lots of new fruits and beers included that we wouldn't have had before! Things like watermelon, peach sangria, and more are included.

You can check out our stock of each individual beer by clicking the link next to the picture. Remember, some stock is limited, so if you find something you love, make sure to pick it up!

Onwards to the beers!

## CAPTAIN CUTLASS

**SEA CHANGE, EDMONTON AB**

Avast, me hearties! Sea Change has brought the booty with Captain Cutlass, a dangerously poundable salted watermelon sour. Big flavour, a hint of salt, and an all around good time.

## PEACH SANGRIA WHITE TEA SOUR

**TOWN SQUARE, EDMONTON AB**

When we think summer, we think a lot of things. Peaches, for example! Sangria also comes to mind. So we like to think that Town Square has quite literally captured summer and forced it into a can with this one.
