WELCOME

Take me out to the ballgame!

Take a swing at July's themed six pack, "Ball Game Brews". Our all new, all blue lineup is sure to go all the way, same as the Blue Jays (we hope)!

We at Sandy Lane truly feel that we have stepped up to bat with this month's six pack, and we hope it's a home run for you as well. In homage to the Blue Jays, every can in this month's six pack is primarily blue. All of the styles of beer included can be found at an average ballgame, in particular right here in Edmonton with our very own Riverhawks! Our lineup is sure to knock your taste buds out of the park, with beer hailing from Edmonton, Calgary, and even Valemont, BC!

You can check out our stock of each individual beer by clicking the link next to the picture. Remember, some stock is limited, so If you find something you love, make sure to pick it up!

Onwards to the beers!
