

DRINK LOCAL, SUPPORT LOCAL

WELCOME

If you can believe it, we're celebrating our 30th variety pack! It's hard to believe that two and a half years have passed since we first decided to break up a bunch of 4 packs and mix them up to see if people would buy them. And wow, did you buy them!

With a healthy thirst for the variety packs here in-store, plus those of you who subscribe and have them delivered to your home, and those of you fortunate enough to have someone *love you enough* to GIFT you subscriptions, we're happy to announce that the variety pack will be sticking around for years to come.

To celebrate this little milestone, we're going back to our roots for this pack.

We're putting some of the best selling beers in from some of our biggest supporters, some OG craft breweries from here in Edmonton, including Arcadia, The Growlery, Sea Change, SYC, Town Square and Analog.

We'd like to thank all of you who have supported us over the past few years, braving pandemics, construction (SO MUCH CONSTRUCTION) and the elements to come into the store and shop our amazing local craft beer selection. I know the breweries we support appreciate it as well, and we're looking forward to serving you well into the future. All the best, thanks again, and CHEERS!

THIS MONTH'S SELECTION

WHISTLING PIG

ARCADIA, EDMONTON, AB

This hazy pale ale is one of the OG brews from Arcadia & one of Darren's favorites. Smooth, refreshing with a kick of hops, this is a perfect brew to whet your whistle, especially if you're watching a hockey game down at Arcadia!

GBC LAGER

THE GROWLER, EDMONTON, AB

When someone comes into the store looking to get into craft beer, there are a handful of beers we point them to, and GBC Lager is one of them. Crisp, clean and easy to drink, GBC Lager is a great beer to crush on a sunny afternoon, or a cloudy afternoon, or ANY afternoon...

\$16.50/ 4pk

THE WOLF

SEA CHANGE, EDMONTON, AB

One of Sea Change's original brews, The Wolf has gained an incredible following, not just with Edmontonian craft beer drinkers, but craft beer drinkers across the province. The Wolf is a hazy pale ale with plenty of flavor, hop-kick & juicy fruit. No surprise we've seen "The Wolf for Mayor" signs out and about!

THIS MONTH'S SELECTION

CLOCK OUT

SYC BREWING, EDMONTON, AB

Clock out is likely THE crushable beer in our fridges. No assumptions, no pretense, just straight-forward, clean and crushable beer. This is another can we put people into when they're looking to get into craft. Added bonus, they've *lowered* the price to an amazingly affordable level!

\$14/ 4pk

SALTED LIME CERVEZA

TOWN SQUARE, EDMONTON, AB

When it came to choosing a beer from Town Square to put into this mixer, we were stumped. Did we go with their Megawatt? Beets? Brain Freeze? Because their catalogue is so incredibly vast & varied, we decided to go with a new seasonal, their salted lime cerveza. Think of your favorite Caribbean light beer, just make it better..and make it in Edmonton!

\$17/ 4pk

IN ANOTHER CASTLE

ANALOG, EDMONTON, AB

This beer is basically synonymous with Analog. Adam has been a dedicated partner to our journey into Craft Beer since 2020, and we couldn't think of a better way to thank him and Analog brewing than featuring their flagship beer in our celebratory 6 pack. This dry lactose is full of fruity hops, and is perfect for the IPA lover.
