

DRINK LOCAL, SUPPORT LOCAL

WELCOME

Greetings beer lovers!

Introducing June's themed pack, "Select Stash". We've gathered some of the best & brightest from Olds College Brewery class of 2023 at this assembly and wanted to give them the chance to show off!

While it's no secret that Sandy Lane is an avid supporter of the local craft scene, many are surprised to learn that we buy beers DIRECT from Olds College Brewery on the regular. As part of the course to become a Brewmaster, students are required to create a personalized beer, design packaging and bring it to market. As we have no idea to what heights these fledgling Brewmasters will soar, consider these cans their "Rookie cards". Who knows, you may be holding the next legend's first brew in your hand right now!

You can check out the entire lineup of Olds College Brewery beers we have on offer by [clicking this link](#). Remember, these are all one-offs and once they're gone, they're gone forever. If you find something you love, grab it by the 4 pack!

Without further ado, let's get on to the beers!

THIS MONTH'S SELECTION

TALLS & SMALLS

SHAWNA MIDDLETON, EDM/GREG SANDERS, OLDS

Don't let the "Porter" on the can scare you away! This light-brown English Porter boasts the complimentary flavors of caramel, toffee & coffee. It finishes light and dry, and is perfect for campfire nights.

As an aside, it was Shawna that approached Sandy Lane to buy her beer. She kicked off the "Upcoming Talent" portion of our webstore, and we can't thank her enough for introducing us to Olds College Brewery.

WEE LAD FROM FORFAR

TRAVIS FAIRWEATHER, TOFIELD, ALBERTA

Aachk, it'll kick ya straight upside tha'HEAD! Jam-packed with caramel flavor, this malty behemoth is a surprisingly smooth pull! At 8% abv, we'd recommend this one with a meal; something buff that'll stand up to all that bready-goodness. Bison burgers, peppered steak...mmmmmmmm steak! We'll be right back...

NEVER MADE IT AS A WEISSE MAN

MIKE LAZAR, CALGARY, ALBERTA

This light, easy-drinking tart beer is what we would call a "breakfast beer". Perfect for starting off a great day of camping, just sipping on this bad boy while you cook up some eggs & bacon.

Plus, the puns on the can... come on. Chad would approve, we're sure of it!

THIS MONTH'S SELECTION

DAPPER DOG

KEEGAN YENA, PENHOLD, ALBERTA

A beautiful, "fill your mouth until your cheeks nearly burst" malty beer. A distinct lack of bitterness allows this golden ale to push your mind straight to a pub where you can almost smell the fish & chips. Go ahead, get your beer-mustache on. No one's looking!

\$17.50 / 4pk

UNCLE NELSON

BRUNO D'ALMEIDA, RIO DE JANEIRO, BRAZIL

An American-styled Wheat beer with a subtle twist. Take this guy out on one of those scorcher days we've been having lately & crack it open. We promise that the touch of ginger will bring a refreshing boost to this golden, hoppy goodness!

\$17.50 / 4pk

GEESE GOOSE GOSE

MIKE LAZAR, CALGARY, ALBERTA

This traditional German sour packs a refreshing punch of hand-crushed coriander, traditional German Hops and a gentle hint of salt straight from the river Gose. Add in some fresh tangerine peel and the result is a crisp and fruity sour.
