

SURFACE

Sergio Herman

SERAX

MATERIALS

Maple wood
Composition: 100% maple wood
Finishing: sanded
Production: artisanal & by machine

PRODUCT SPECIFICATION

Rather than patched together from refuse wood, Surface cutting boards are constructed from solid, high-grade maple. This wood's warm, golden hues not only compliment any style of kitchen, they also improve with age. The Surface board's self-healing properties also make it highly resistant to scarring and warping, which makes for a very safe and durable product. And since the Surface cutting board is made from 100% renewable resources, it is also a very sustainable one.

OPERATIONAL USAGE

Food safe
Table ware
Dishwasher proof: no, hand wash only

SPECIAL CARE INSTRUCTIONS

When washing the boards, only use soft (preferably no) detergents
Avoid immersing the cutting boards in water
Allow the board to dry naturally
The best way to protect your cutting board from staining or warping is to give it a good oil finish. A well-oiled board is easier to keep clean and we recommend a vegetable or food-grade mineral oil.

PACKAGING

Giftbox
Volume & dimensions of the complete range available upon request.
