

LOU "COFFE TABLES"

Christophe Delcourt design

Struttura: sagomata interna in MDF, rivestita in multistrato impiallacciato larice spazzolato laccato a poro aperto nel colore Liquirizia oppure impiallacciato larice pretinto color Tortora.

Il tavolino girevole è provvisto di due vani contenitori rivestiti in metallo satinato Bronzo chiaro. Movimento girevole a 360°.

Finiture piano:

- marmo Calacatta, spessore mm 20, sagomato e parzialmente incassato (5 mm a vista);
- vetro Nero in pasta, spessore mm 15, sagomato e parzialmente incassato (5 mm a vista);

Piedini regolabili in Hytrel® e scivolante protettivo in feltro.

Structure: contoured interior in MDF, brushed larch veneered plywood, open-pore lacquer finish in Licorice color or pre-finished larch veneer in Dove-Grey.

The swivel coffee table comes with two compartments sheathed in metal with Light Bronze satin finish. Swivel movement 360°.

Top finishes:

- 20mm Calacatta marble, contoured and partially recessed (extends 5mm above the table top);
- Black pâte de verre, 15mm, contoured and partially recessed (extends 5mm above the table top);

Adjustable feet in Hytrel® and with protective felt glides.

Gestell: Die innere, geformte Struktur aus MDF, überzogen mit Sperrholz, Furnier aus gebürsteter, offenporig, Lakritzefarbig lackierter Lärche oder mit Furnier aus Taubengrau vorgefärbter Lärche.

Der drehbare Beistelltisch verfügt über zwei Behälterfächer, die mit Hell Bronzefarbig satiniertem Metall ausgelegt sind. Drehbewegung um 360°.

Ausführungen der Tischplatten:

- Calacatta Marmor, Dicke 20 mm, formgeschnitten und teilweise eingelegt (5 mm Dicke sichtbar);
 - Schwarze Glaspaste, Dicke 15 mm, vorgeformt und teilweise eingelegt (5 mm Dicke sichtbar);
- Verstellbare Füßchen aus Hytrel® und Gleitschutz aus Filz.

Structure: façonnée interne en MDF, recouverte de multiplis plaqué mélèze brossé laqué à pores ouverts couleur Réglisse ou plaqué mélèze pré-teint couleur Tourterelle.

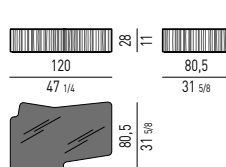

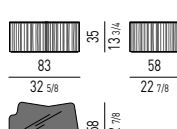

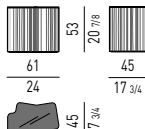

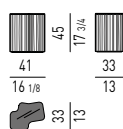

La petite table pivotante est équipée de deux compartiments recouverts de métal satiné couleur Bronze clair. Mouvement pivotant à 360°.

Finitions plateau:

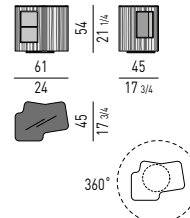

- marbre Calacatta, épaisseur 20 mm, façonné et partiellement encastré (saillie 5 mm);
- pâte de verre Noire, épaisseur 15 mm, façonné et partiellement encastré (saillie 5 mm).

Pieds réglables en Hytrel® et patins en feutre.
