

Struttura: in legno spessore mm 20, piano assemblato a 45° alle spalle laterali. Ante e cassetti in legno, spessore mm 30. Maniglia in metallo, finitura color Peltro lucido. Cassetti con guide "blumotion".

Finitura STRUTTURA:

- rovere laccato a poro aperto color moka;
- rovere tinto a poro aperto color tabacco;
- laccato satinato color fango (disponibile solo in abbinamento alle ante e ai cassetti in rovere tinto a poro aperto color tabacco).

Finitura ANTE e CASSETTI:

- rivestiti in pelle Art. GLOVE colore 04 testa di moro oppure in pelle Art. NAPPA colore 781 mastiche;
- laccati lucido nei colori sand, celadon, fango, moka e granito;
- in rovere tinto a poro aperto color tabacco (disponibile solo con la struttura laccata satinato color fango).

ABBINAMENTI DELLE FINITURE STRUTTURA/ANTE-CASSETTI:

- con STRUTTURA LACCATA A PORO APERTO COLOR MOKA o TINTA A PORO APERTO COLOR TABACCO, le ante e i cassetti possono essere laccati lucidi nei colori sand, celadon, fango, moka o granito oppure rivestiti in pelle Art. GLOVE colore 04 testa di moro o in pelle Art. NAPPA colore 781 mastiche;
- con STRUTTURA LACCATA SATINATO COLOR FANGO, le ante e i cassetti sono sempre in rovere tinto a poro aperto color tabacco.

La finitura interna della struttura, delle ante e dei cassetti segue la finitura esterna dell'elemento. Il bordo delle ante e dei cassetti segue la finitura della struttura ad eccezione dell'anta in rovere tinta tabacco che avrà il suo bordo sempre in finitura tabacco. I mobili orizzontali a giorno con vano passante hanno la spalla fianco-vano in tinta con la finitura dell'anta.

Attrezzatura interna:

- ripiani in vetro Grigio Fumé, spessore mm 10.

Gli elementi orizzontali a giorno con vano passante, sono dotati di un contenitore strutturale in vetro Grigio Fumé.

Base:

Base a terra: appoggio a terra tramite base in legno, altezza cm 12, laccata lucida color Peltro. Base rialzata: telaio in metallo a sezione rettangolare mm 30x40 laccato opaco color Peltro e piedini in metallo a sezione conica Ø mm 25, altezza cm 12 o 25, verniciati color Peltro lucido.

Frame: mm 20 wood, top assembled at 45° to the sides. Doors and drawers in mm 30 wood. Metal handle, glossy Pewter finish. Drawers with "Blumotion" guides.

FRAME finishes:

- open-pore Moka lacquered oak;
- open-pore Tobacco stained oak;
- satin-finish Mud lacquer (available only with open-pore Tobacco stained oak doors and drawers).

DOOR and DRAWER finishes:

- lined in leather Art. GLOVE 04 Dark Brown or in leather Art. NAPPA 781 Putty;
- glossy lacquered Sand, Celadon, Mud, Moka and Granite;
- in open-pore stained Tobacco oak (available only with a satin-finish lacquered Mud frame).

FRAME/DOOR-DRAWER COMBINATIONS:

- with OPEN-PORE LACQUERED FRAME IN MOKA or OPEN-PORE STAINED TOBACCO, the doors and drawers can be in glossy lacquered Sand, Celadon, Mud, Moka or Granite or in leather Art. GLOVE 04 Dark Brown or in leather Art. NAPPA 781 Putty;
- with SATIN-FINISH LACQUERED FRAME IN MUD, the doors and drawers are always in open-pore Tobacco stained oak.

The inside finish of the body, doors and drawers is the same as the outside. The door and drawer edges have the same finish as the structure apart from the Tobacco stained oak door whose edges always have a Tobacco finish. For the horizontal containers with an open section on both ends, the side-container matches the door finish.

Internal equipment:

- mm 10 Smoked Grey glass shelves.

The horizontal containers with an open section on both ends, have a structural container in Smoked Grey glass.

Base:

Floor base: cm 12 high wood floor base, Pewter color glossy lacquered finish. Suspended base: mm 30x40 rectangular section metal frame with a matt Pewter lacquered finish and Ø mm 25 conical-section feet, cm 12 or 25 high, glossy Pewter finish.

Struktur: mm 20 dickes Holz, die Ablage ist im 45° Winkel mit den Seitenwänden verbunden. Türen und Schubladen aus mm 30 dickem Holz. Griff aus glänzend zinnfarbigem Metall. Schubladen mit "Blumotion" Führungen.

STRUKTUR in folgenden Ausführungen:

- mokkafarbig, offenporig lackierte Eiche;
- tabakfarbig, offenporig getönte Eiche;
- schlammfarbig matt lackiert (nur bei tabakfarbig, offenporig getönten Eichtüren und Eichenschubladen).

Ausführungen TÜREN und SCHUBLADEN:

- mit Lederbezug Art. GLOVE Farbe 04 Dunkelbraun oder Art. NAPPA Farbe 781 Kittfarbe;
- Glanzlackfinish in den Farben Sand, Celadon, Schlamm, Mokka und Granit;
- offenporig, tabakfarbig getönte Eiche (nur bei schlammfarbig matt lackierter Struktur).

KOMBINATIONSMÖGLICHKEITEN STRUKTUR/TÜREN-SCHUBLADEN:

- bei MOKKAFARBIG, OFFENPORIG LACKIERTER oder TABAKFARBIG, OFFENPORIG GETÖNTER STRUKTUR können Türen und Schubladen im Glanzlackfinish in den Farben Sand, Celadon, Schlamm, Mokka oder Granit lackiert oder aber lederbezogen sein mit Art. GLOVE Farbe 04 Dunkelbraun oder mit Art. NAPPA Farbe 781 Kittfarbe;
- bei SCHLAMMFARBIG MATT LACKIERTER STRUKTUR sind Türen und Schubladen immer aus tabakfarbig, offenporig getönter Eiche.

Die Ausführung der Innenseiten der Struktur, der Türen und Schubladen richtet sich nach der Ausführung der Außenseiten der einzelnen Elemente. Die Umrandungen der Türen und Schubladen richten sich nach der Ausführung der Struktur des Möbels, mit Ausnahme der tabakfarbig getönten Eichtür, bei der auch der Rand tabakfarbig bleibt. Die horizontalen Behälter mit durchgehender offener Ablage haben die Innenseiten in derselben Farbe, wie die Türflügel des restlichen Teils.

Interne Ausstattung:

- Fächerböden aus mm 10 starkem, grauem Rauchglas.

Die horizontalen Behälter mit durchgehend offenem Fach enthalten ein Behälerelement aus grauem Rauchglas.

Gestell:

Direkte Bodenaufgabe: aus Holz, Höhe cm 12, zinnfarbiger glanzlackfinish.

Bodenfreie Auflage: rechteckiges Metallgestell mm 30x40, zinnfarbig matt lackiert und kegelförmige Füße Ø mm 25, Höhe cm 12 oder 25, zinnfarbiger Glanzlackfinish.

Structure: en bois de mm 20 d'épaisseur, plateau assemblé à 45° aux côtés. Portes et tiroirs en bois, épaisseur mm 30. Poignée en métal, finition couleur Etain brillant. Tiroirs avec glissières "blumotion".

Finition STRUCTURE :

- chêne rovere laqué à pore ouvert couleur moka;
- chêne rovere teint à pore ouvert couleur tabac;
- laquée satiné couleur boue (disponible uniquement en association avec les portes et les tiroirs en chêne rovere teint à pore ouvert couleur tabac).

Finition des PORTES et TIROIRS :

- recouverts de cuir Art. GLOVE couleur 04 Tête de maure ou de cuir Art. NAPPA couleur 781 mastic ;
- laqués brillant dans les couleurs sable, céladon, boue, moka et granit;
- en chêne rovere teint à pore ouvert couleur tabac (disponible unique avec la structure laqué satiné couleur boue).

ASSOCIATIONS DES FINITIONS STRUCTURE/PORTES-TIROIRS :

- avec STRUCTURE LAQUEE À PORE OUVERT COULEUR MOKA ou TEINTE À PORE OUVERT COULEUR TABAC, les portes et les tiroirs peuvent être laqués brillant dans les couleurs sable, céladon, boue, moka ou granit ou bien être recouverts de cuir Art. GLOVE couleur 04 Tête de maure ou de cuir Art. NAPPA couleur 781 mastic;
- avec STRUCTURE LAQUEE SATINE COULEUR BOUE, les portes et les tiroirs sont toujours en chêne rovere teint à pore ouvert couleur tabac.

La finition interne de la structure, des portes et des tiroirs suit la finition externe de l'élément. Le bord des portes et des tiroirs suit la finition de la structure excepté pour la porte en chêne rovere teint tabac qui aura toujours le bord dans la finition tabac. Les meubles horizontaux sans porte, accessibles des deux côtés ont les côtés dans la finition de la porte.

Équipement interne :

- étagères en verre Gris Fumé, épaisseur mm 10.

Les meubles horizontaux, sans porte, accessibles des deux côtés, sont équipés d'un élément structurel en verre Gris Fumé.

Base :

Base au sol : appui au sol par base en bois, hauteur cm 12, laquée brillant couleur Etain.

Base rehaussee : châssis en métal à section rectangulaire mm 30x40 laqué mat couleur étain et pieds en métal à section conique Ø mm 25, hauteur cm 12 ou 25, peints couleur Etain brillant.

Minotti
