

Tank Champagne Glass S/2

TANK is made from mouth-blown clear glass, defined by their simple shapes that were inspired by the rigour of science laboratory equipment. With crisply cut and polished edges and a sharply applied band of precious metallic copper detailing, they provide the perfect functionality for modern drinking.

PROCESS	Made from mouth-blown glass. Each piece is hand painted with copper. Sand blasted logo is applied to the base.
YEAR OF DESIGN	2016
MATERIAL	Glass
PRODUCT CODE	TKT03
COLOUR	<input type="radio"/> Clear glass <input checked="" type="radio"/> Copper
CLEANING INSTRUCTIONS	Suitable for use with food. Not dish-washer safe. Do not use abrasive agents as this will damage the surface. The products are hand made and variations will occur between products. Colour change may occur over time due to the character of the material. Always rinse before use. Wash in warm soapy water and dry with a soft cloth. Handwash only.
