

## Part No. FE-RMLGX-1U

**Description:** Primewired Fiber Enclosure 19" Rack Mount Patch Panel, 1U 3 LGX panels

1U Rack Mount Fiber Enclosure, which is suitable to mount 3 modular designed LGX fiber optic adapter panels or MTP / MPO fiber cassettes.

- Suitable for 19" and 23" racks or cabinets
- Stronger and robust structure: 16-gauge steel (1.5mm thickness) used and with folded edge design
- Front/rear access with hinged, removable panels
- Sliding inner drawer, more convenient for cable installations and management
- Accommodate 3 per adapter plates or per cassettes with standard LGX footprint
- 6, 12, 24 port per adapter panels for option, covering SC, LC, FC, ST, MTRJ, MPO / MTP connectors
- Transparent front panel, convenient for per checking
- Extended enclosure depth, allow more working space for splicing applications or cable storage
- Black powder-coated for a long-lasting, rust-resistant surface

### Available LGX Adapter Panels

- FAP-LGX-BLK - Fiber Adapter Plate LGX Blank
- FAP-LGX-SC6B - Primewired Fiber Adapter plate LGX 6 Ports (Empty)
- FAP-LGX-LCD6LS - Primewired Fiber Adapter plate LGX 6 Ports w/6 LC Duplex Single Mode
- FAP-LGX-LCD6L3 - Primewired Fiber Adapter plate LGX 6 Ports w/6 LC Duplex OM3/4 Multimode
- FAP-LGX-SC6LS - Primewired Fiber Adapter plate LGX 6 Ports w/6 SC Single Mode
- FAP-LGX-SC6L3 - Primewired Fiber Adapter plate LGX 6 Ports w/6 SC OM3 Multimode
