Using the tiles given, complete this mini-crossword so that five words read across the grid, and five different words read down. Clues are given for all the words, but they are in random order.

**The Clues**

* Beam of sunlight
* Grown-up girl
* Nice thing to do for another person
* Not near
* Prehistoric fellow
* Race in which a baton is passed
* Rescues
* Spearlike object thrown in track and field competitions
* Tool for cutting a board
* Wicked act

**FACT OR FICTION?**

Clusters of bananas grow pointing upward, not down toward the ground.
