Using the tiles given, complete each mini-crossword so that three words read across the boxes, and three different words read down. Clues are given for all the words, but they are in random order.

The Clues

Drink that’s served hot or iced
Get married
Number of things in a pair
“Over the hill”
Snakelike fish
Something you do in math class

The Clues

Frozen and slippery
Item that may be “paper or plastic”
Not little
Place where you exercise
Playing card with one large spade
Precious stone
