*Half-tray of ice.

KitchenAid®

EXCEPTIONAL PERFORMANCE

- CRUSH ICE IN LESS THAN 10 SECONDS* to achieve ideal taste, texture, and consistency for your best-tasting smoothie. The unique asymmetric blade blends at four distinct angles to pull ice into the center for ultimate crushing.

- ICE CRUSH SETTING + 3 SPEED OPTIONS: Optimally designed Ice Crush setting, in addition to 3 different speeds, for your perfect blend no matter the ingredients.

- SOFT START® FEATURE starts the motor at a slower speed to pull food into the blade, then quickly increases to the selected speed setting to avoid splatter.

- INTELLI-SPEED® MOTOR CONTROL senses contents and maintains the optimal speed to power through all of your ingredients.

ENDURING DESIGN

- CREATE MORE TASTES. Discover more possibilities with the K150 and K400 blender accessories available†: 6-oz. Small Batch Jar Expansion Pack (KSB2040BBB) and 16-oz. Personal Blender Jar Expansion Pack (KSB2030PJB).
