BUILT TO LAST

WE BUILD BATTERIES RIGHT

You can depend on batteries from Expion360 in the most challenging environments. You won't find thin plastic, foam, or hot glue in our products. Instead, we build our batteries with reinforced, fiberglass-infused, premium ABS and solid mechanical connections to ensure top performance and your safety.

FIRST-CLASS SERVICE

Our US-based experts are available every weekday from 8 am to 4 pm PST. Our service team understands your needs, and we can help you integrate Expion360 batteries with everything you need for peak performance.

12-YEAR WARRANTY

We build our batteries for extreme durability, reliability, and safety. We're so confident in our outstanding quality that we back every battery with an industry-leading 12-year warranty.
