## Joy Towel

Using a prehemmed, ready made kitchen towel you can create a charming, custom towel in minutes. Makes a great gift!

Instruction	Materials	Tip
<ol style="list-style-type: none"><li>1. Cut border 1" wider than width of towel.</li><li>2. Sew ric rac to top and bottom edges of border.</li><li>3. Fold under on stitch line and press from back side. This will give you a charming little 1/2 view of your ric rac!</li><li>4. Place border on towel so stitch line will be 4" up from bottom of towel. Stitch on ric rac in the ditch bottom and top. Turn border edges under 1/2" at sides. Topstitch at exact edge of towel.</li><li>5. Press from back</li></ol>	<p>Prehemmed kitchen towel.</p>	<p><b>All About Blanks</b> is a good source.</p> <p>I like to spray starch borders for more stability through the process.</p>
