

Uncut Precuts

Fun with 5 inch Squares and Strips

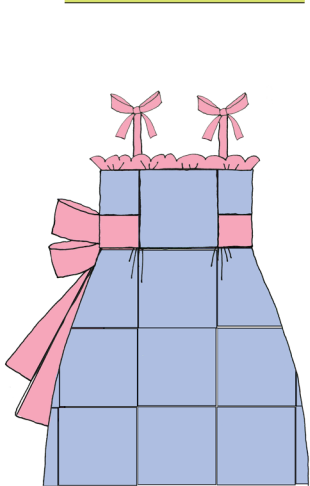

By 

Greetings! This Project Sheet based on the "Medley Collections" from Loralie Designs. There are 6 different collections, each with a "block panel" and a coordinating "strip panel". The entire design theme is contained on just 2 SKUs! "Uncut Precuts" is Loralie's version of the precut mode of 5" x 5" squares and 2 1/2" strips. They are so easy and fun to work with!

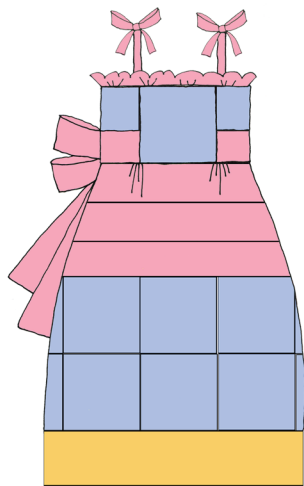

The Medley Dress

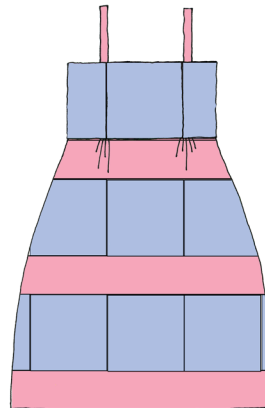

Meet the Medley Dress! All of these precious little frocks are made with just four simple elements, a 5" square, a 2 1/2" strip and 2 optional borders. There are unlimited combinations. Simply measure your little girls chest, add 2 inches and start assembling elements to achieve your desired look. Easily adjustable for size. She will love it! You will also need lining to match bodice and a 9" zipper. Make a Medley today!
