

## Bistro Apron

Quick and cute little drawstring apron designed especially to showcase embroidered blocks or printed panel fabric. Finished apron will measure approximately 22" wide by 15" high and can be enlarged or reduced simply by beginning with a smaller or larger trimmed design. Perfect for your own use or makes a very fun gift.

### Materials:

Apron skirt 1/2 yd  
Sashing, 3 patterns 2 1/4" x 44"  
Drawstring 4" x 44"

If using printed blocks, stitch together blocks to equal approx 22" wide.

1. Stitch out cupcakes (If using printed blocks, sew blocks together, press seam open)
2. Trim to 5x6", 1/4" seam
3. border with 2 1/4" sashing, press
4. sew 3 blocks together, 1/2" seam
5. cut out lining to match size of pocket panel.
6. Right sides together, stitch across top, open seam, understitch lining & seam allowances, press, stay stitch sides and bottom edge, press
7. Cut out apron skirt to match width of pocket panel by desired height. (24 1/2"w x 17"h)
8. Sew right side of pocket panel to wrong side of apron skirt at bottom, 1/2" spread seam open, understitch apron skirt and seam allowances, press.
9. Stitch down between pockets
10. Stay stitch edge of pocket panel to edges of apron skirt
11. Hand roll hem sides of apron skirt small as possible (3/8")
12. Hand roll top of apron to form casing for drawstring (3/4")  
Cut drawstring 2" x 72.
