- Contains Aloe Vera and Vitamin E to gently moisturize skin.
- Perfect for restaurants, schools, hospitals, offices, gyms and more!
- Active ingredient: Benzalkonium Chloride (BZK)

FAQ's

Q: Is BZK (Benzalkonium Chloride) as effective as alcohol?

A: Yes, it is 99.9% effective against most common germs* but it isn't flammable and drying like alcohol formulas.

Q: How big is the wipe?

A: The wipe measures 7" x 5.75" and is made of a durable textured material to effectively remove dirt and germs.

Q: Where should I use the wipe?

A: Keep the wipes readily available in high-traffic areas such as restaurants, schools, hospitals, offices, gyms and more!

Q: Can I use them in floor dispensers?

A: Yes, the HandyClean Wipes work great
