

CARING HANDS

A daily routine to keep us clean greatly contributes to our sense of well-being.

Handybath® Adult Washcloths make cleansing easy. Just pull, wipe (gently, of course), and toss.

Our botanical cocktail of aloe, chamomile, cucumber, and marshmallow – infused with vitamin E – moisturizes and protects the skin after each wash.

This is truly a shower-free cleansing experience.

Handybath® Adult Washcloths are generously-sized disposable washcloths for all cleansing needs.

The premium, dispersible (breaks down like toilet paper in water) towels can be flushed.

- Moisturizing botanical extracts
- Skin-conditioning vitamin E
- Refreshing clean linen scent

For use in...

- Hospitals
- Adult care facilities
