

ADOPTING A NEW DOGGY

The Overview

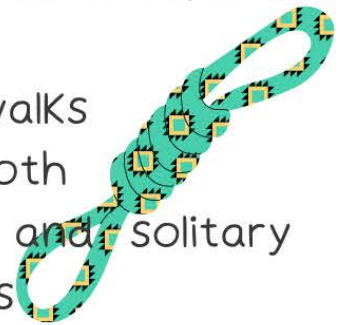

PREPARING FOR ARRIVAL

- Purchase all of the "must-haves"
- Set up a safe room for the initial quarantine period
- Make an appointment with your vet for a full health check
- Plan slow introduction with other pets

PLAYTIME & EXERCISE

- Don't go overboard with purchases
- Plan daily walks
- Consider both interactive and solitary toy options
- Plan vigorous play sessions to release excess energy

GROOMING

- Start early and establish a routine
- Include tooth and fur brushing as well as claw clipping
- Reward for positive behavior

TRAVELING

- Always secure your pup even for short trips
- Use pheromones to ease stress
- Limit food for nauseous pups
