

ADOPTING A NEW KITTY

The Overview

PREPARING FOR ARRIVAL

- Purchase all of the "must-haves"
- Set up a safe room for the initial quarantine period
- Make an appointment with your vet for a full health check
- Plan slow introduction with other pets

PLAYTIME & TOYS

- Don't go overboard with purchases
- Look for organic catnip options
- Consider both interactive and solitary toy options
- Plan vigorous play sessions to release excess energy

GROOMING

- Start early and establish a routine
- Include tooth and fur brushing as well as claw clipping
- Reward for positive behavior

TRAVELING

- Always place Kitty in their carrier
- Use pheromones to ease stress
- Limit food for nauseous Kitties
