

 **FloraLife®** **DCD**

**Disinfects. Cleans. Deodorizes.
For hard non-porous surfaces.**

FloraLife® D.C.D.® Cleaner is a best-in-class hospital-grade EPA registered cleaner approved for use against SARS-CoV-2, the novel coronavirus that causes the disease COVID-19.

Multi-Use Disinfectant, Cleaner, and Deodorizer all-in-one

- Use as a general purpose, long lasting, antimicrobial detergent for efficient cleaning and disinfecting action against bacteria, fungus and viruses.
- Use D.C.D.® solution to disinfect, clean, and deodorize all surfaces, including food and animal contact surfaces, appliances and work areas.
- Disinfects and deodorizes hard non-porous surfaces.
- Approved for use on the following surfaces: floors, walls, metal surfaces, plastic surfaces, see label for full list.

Concentrated and Ready-To-Use Formulas

- 1 gallon of concentrate makes up to 64 gallons of use solution.
- Ready-to-use spray available, no mixing required.
- Has a residual effect; a protective layer that lasts.
- No rinsing required unless used on food and animal contact surfaces.
- Will not leave a grit or soap scum.
- Can be applied through automatic washing systems, immersion tanks, foaming apparatus and low pressure sprayers.
- Pleasant citrus scent.

Sizes and Pack Information

Item #	Description	Size	Formula	Case Pack
