Following are important procedural reminders for signing up and helping the process run smoothly. Please:

- Email the sponsor to register for an event.
- Keep a record of all activities you've signed up for and contact sponsors again, if you don't receive confirmation from them.
- Record your events on your personal calendar.
- Let the host know, ASAP, if you must cancel. Members on wait lists might be able to attend.
- DO NOT attend any event for which you haven't registered. Contact the sponsor to see if there are spaces available, or to be added to a waiting list.
- Guests are welcome, but members come first when there's a limit. Email the sponsor to see if you can bring a guest.
- Note activities which include a fee and check with hosts to see if they need the money in advance.
- Bring a mask, for indoor activities, in case it's required.

****Cancellations do occur frequently, so be sure to join wait lists for events that are filled.****
