#### Quick and effective, Even Cooking

Our Even Cooking system circulates heat throughout the oven, making sure everything is cooked evenly. All without the need to turn your dish. Our technology means your oven heats up faster saving you time and energy.

#### Save time with the Fast Heat Up function

Our Fast Heat Up function makes sure the oven is ready when you are. With a shorter pre-heating time compared to conventional heating, you can turn those spare moments into more memorable meals.

#### Precise settings with our LED timer display

It's easy to keep track of your dishes with our LED timer display. Letting you set exact cooking times and monitor dishes as they cook. It gives you effortless oven control. So you can focus on unleashing your culinary creativity.

#### Grill for golden results

From crisped bacon to bubbling mozzarella, get more out of your grill than ever before. Perfect for crispy chicken wings and melt in your mouth halloumi.
