

Quick heating and even cooking

The Series 20 FanCook Oven circulates hot air heat with its fan and ring element. Air is continuously moved around in the oven cavity, to make sure that dishes can be cooked on different level at the same time

The Series 20 FanCook Oven circulates hot air heat with its fan and ring element. Air is continuously moved around in the oven cavity, to make sure that dishes can be cooked on different level at the same time

Product Benefits & Features

Evenly cooked results, on any level

Get perfectly even oven results with Multilevel cooking. An additional heating ring promises even cooking across all three levels. Which is great for cooking more favourite dishes at the same time.

Touch to time every meal / Perfectly timed meals with LED display / Time taken care of

Keep track of all your dishes with the LED timer display. Setting exact cooking times is straightforward with the touch-activated fields. Making it easier than ever to juggle a few different dishes at once.

Convection oven, for Even Cooking

The hot air generated inside the oven during cooking is moved around with a fan, so all your dishes receive the same amount of heat. This lets the oven heat up faster, which means you'll get the same results using 20% lower temperatures, saving time and using less energy.

Cook more at once with XL baking tray

An XL baking tray welcomes bigger dishes. Cook more at the same time for friends and family, and feel reassured it will all be ready at once.

Anti-fingerprint coating, for hassle-free cleaning

Make greasy marks on the oven a thing of the past with anti-fingerprint coating. Your oven's stainless steel will always look it's best, with no need to wipe or polish.

- Chrome grid runners with auto-stop anti-tip shelves
- Anti-fingerprint stainless steel
- Fan controlled defrosting
- Fan cooled double glazed door with heat reflective glass
- 'A' energy class
- LED digital display
- Removable door and glass panes for easy cleaning
- Oven features:
- Isofront® double glazed doors
- Top heat
- Clean 'n' clear enamel interior
- Diamond-glazed enamel interior
- Built in Electrical Single oven
- Economy variable grill

Product Specification

PNC	949 496 255
EAN number	7332543722334
Energy class (top oven)	A
Energy class (bottom oven)	N/A
Height (mm)	589
Width (mm)	594
Depth (mm)	568
Built In Height (mm)	600
Built In Width (mm)	560
Built In Depth (mm)	550
Voltage	220-240
Colour	Stainless Steel with antifingerprint coating
Net Weight	30
