Changable fabrics

A modular Sofa by Marcel Wanders. Available from a small two seater to massive corner versions. The upholstery is changeable and creates a lot of freedom. Base fabrics can be hand-washed in 30 degrees. And if customer wants, they can choose to pimp up the sofa by choosing an additional set of covers, or perhaps only one colourful backrest.

How to care for your sofa

Attached with Velcro, the covers are easily removable and can be hand-washed in 30°C. Do not bleach and do not tumble dry. Put the cover back when it is slightly damp. Gentle dry clean with any solvent except trichloroethylene (TCE).

Stain removal

Spills happen! If you act quickly, you can prevent stains from forming. Soak up liquid spills with an absorbent napkin or cloth, applying minimum pressure. Do not rub! Remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in warm water. Dab gently in circular motions towards the center of the stain to avoid edge marks. Remove greasy stains by using appropriate detergents or solvents.
Always test stain removal agents on an inconspicuous area first to see if there is any effect on the cover. If necessary, contact professional dry cleaning for stubborn stains.
