

### **Cleaning Instructions for Functional Mat and Functional Mat Lite:**

- This mat includes an anti-bacterial formula to avoid the growth of germs and mold. If dirty, please clean the mat with a mild detergent (example: Dawn), rinse clean, wipe dry, and let the mat completely dry.
- If necessary, cleanse the mat with a disinfectant, alcohol, or by high temperature sterilization
- The mat is waterproof, therefore it is recommended to air dry after cleaning. Excessive sun exposure to the mat should be avoided.
- Ensure any cleaning product or detergent is completely rinsed away to avoid degrading the mat's anti-slip properties.
