

Model number	CP
Product Dimensions	Outer diameter varies by size, inner diameter 50.6 mm (2 in)
Weight	1.25 lbs / 2.5 lbs / 5 lbs / 10 lbs

NOTES

- Each plate size is a standard Olympic color with embossed lettering and logo on each side
- Made from high quality rubber coated steel
- Add to a barbell outside the collars for quick weight increases without slippage
- A raised rubber edge prevents contact between plates to preserve finish and lettering
