# WELCOME TO LIMEBURNERS & GINIVERSITY

Limeburners & Giniversity Albany sits proudly on the edge of Princess Royal Harbour, with sweeping views over the bay and peninsular.

Today all of our Limeburners Single Malt Whisky is still produced here on-site, and our Distillery Tours give a sneak peak into the work that goes into making premium single malt whisky in Western Australia. Visit any day of the week and you can see the team in action, carefully and patiently crafting the raw ingredients from grain to glass.

Have an event in mind? Limeburners & Giniversity Albany can cater for events of all sizes, so speak to our friendly team today.
