**Quality management Intoleran**

We confirm that our company, Intoleran, has maintained a quality management system for over 15 years according to the HACCP/ISO 9001 standard.

Currently we are making the next step in our quality management system to the standards of FSSC 22000. We will certify for FSSC 22000 in Q1 of 2024.

With kind regards,

Rosanne Holman
