

FOREWORD COFFEE ROASTERS

Corporate Catalogue 2023

Last updated 4 April 2023

ABOUT FOREWORD COFFEE ROASTERS

Founded in 2017, Foreword Coffee Roasters is a specialty coffee company in Singapore that empowers persons with disabilities, special needs, and mental health conditions through employment opportunities. A social enterprise member of raiSE, Foreword is also proud to be a recipient of the Enabling Mark (Platinum) Award in 2021, the highest accolade given to organisations for best practices and outcomes in disability-inclusive employment.

With traceability and transparency at the heart of the coffee supply chain, Foreword works closely with Asian coffee producers including China, Laos and Indonesia.

foreword.

WHY FOREWORD?

We care about **people, coffee and the environment,**

People

We recognise every individual's capability in contributing meaningfully. Together, we co-create and sustain an inclusive workplace.

Coffee

We value the importance of traceability and transparency in our coffee supply chain. We build lasting partnerships with coffee producers in Asia.

Environment

We support environment sustainability by introducing green nudges at our cafes & packaging initiatives.

while ensuring that your **business needs are met.**

YOUR SUSTAINABLE IMPACT MULTIPLIED

By partnering with us, you will be **multiplying** the impact that you and your business can make:

-  Supporting independent and trusted coffee producers in growing Asian regions that we work closely with.
-  Providing opportunities for our employees in product preparation and in delivering of corporate services at events and workshops.
-  Supporting eco-friendly initiatives through our packaging and product offerings.

WE'RE HERE FOR YOU

Your every need met.
