The Next Generation

The new iJetColor NXT utilizes the same proven high-quality, low-cost Memjet technology in a reconfigured print engine that allows a flatter, wider, and higher print path to print fast, clean envelopes, direct mail, and letterhead at a lower cost than any other device or method.

"Output faster, feed wider, and print thicker – the advances are of a magnitude that make the NXT irresistible."

Exclusive Features

✓ Exclusive iJetColor *Flow* Advanced Inkjet User Interface integrates with operator panel for fast and easy job preview and controls
✓ Complete, turn-key system delivered and ready for quick setup
✓ Factory Install and 90-Day Inkjet Expert Training Program
✓ Power-of-Zero Financing plan with full warranty coverage and no-risk buyout

Impact
