

FISH MATE[®]

Innovative Products for Ponds

Bell

**600** (Ref. 247US)

- Anti-clog filter design
- Low running costs
- Ceramic bearings
- Solids-handling capability to $\frac{3}{16}$ "
- Includes fountain set with 4 options
- 3 year guarantee

- 1 Single control knob adjusts flow to fountain and waterfall/filter
- 2 Ceramic shaft bearings and superior rotor design for long service life
- 3 Fully encapsulated electrical parts for safety
- 4 High efficiency pump turbine handles solids to $\frac{3}{16}$ " and ensures low running costs
- 5 Strainer filter less prone to blockage and easier to clean than conventional foam filters
- 6 Pondlife friendly slots may be enlarged to $\frac{3}{16}$ " for solids-handling

Column

**1000** (Ref. 449US)

- Anti-clog filter design
- Low running costs
- Ceramic bearings
- Includes fountain set with 4 options
- 3 year guarantee

- 1 Single control knob adjusts flow to fountain and waterfall/filter
- 2 Ceramic shaft bearings and superior rotor design for long service life
- 3 Fully encapsulated electrical parts for safety
- 4 High efficiency pump turbine ensures low running costs
- 5 Strainer filter less prone to blockage and easier to clean than conventional foam filters
- 6 Handle for easy placement/retrieval from pond

Plume

**1900** (Ref. 378US)

- Anti-clog filter design
- Low running costs
- Energy saving technology
- Solids-handling capability to $\frac{3}{8}$ "
- Includes fountain set with 4 options
- 3 year guarantee

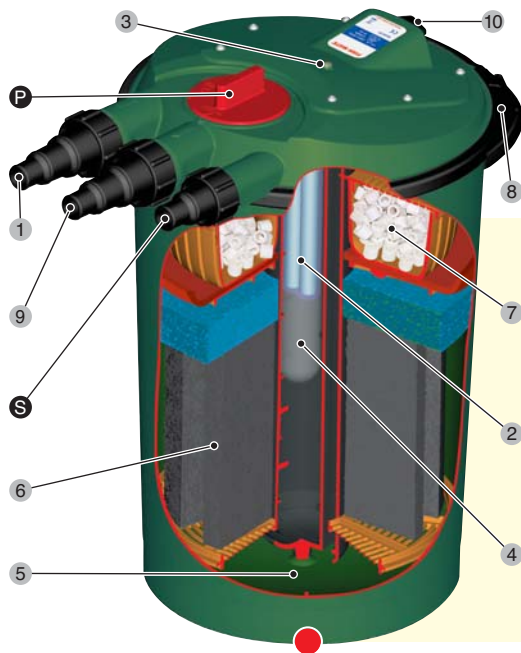

- 1 Single control knob adjusts flow to fountain and waterfall/filter
- 2 High performance pump with innovative, energy saving electronics
- 3 Ceramic shaft bearings and superior rotor design for long service life
- 4 Fully encapsulated electrical parts for safety
- 5 High efficiency pump turbine handles solids to $\frac{3}{8}$ " and ensures low running costs
- 6 Strainer filter less prone to blockage and easier to clean than conventional foam filters
- 7 Handle for easy placement/retrieval from pond

2000 P-UV (Ref. 266US), 3000 P-UV (Ref. 267US) & 3000 P-BIO (Ref. 271US)

- Powerclenz Automatic Cleaning System
- Combined UV and biological filtration for crystal clear purified water (Ref. 266US, 267US only)
- Easy to maintain
- Easy installation above or below ground level
- Includes **SUPRA+** bio media
- 3 year guarantee

- 1 Multisized inlet: 3/4", 1" or 32mm 1 1/4"
 - 2 Easy to replace UV lamp (Ref. 266US, 267US only)
 - 3 UV lamp on indicator (Ref. 266US, 267US only)
 - 4 UV chamber (Ref. 266US, 267US only)
 - 5 Settlement chamber
 - 6 Profiled filter foam for mechanical filtration (supplied)
 - 7 Fish Mate **SUPRA+** biological filter media (supplied)
 - 8 Lid secured by single clamp ring allows easy access for filter maintenance
 - 9 Outlet may be extended with 3/4", 1" or 1 1/4" hose if required
 - 10 Fitted 16' power cable (Ref. 266US, 267US only)
- P** Powerclenz control knob for automatic cleaning of foam filter elements
- S** Sludge outlet - may be extended with 3/4" or 1" hose if required

Powerclenz Automatic Cleaning System

The patented Powerclenz automatic cleaning system is unique in that by a simple twist of a knob, the filter automatically cleans itself.

POSITION "RUN"

Incoming water undergoes a 3-stage purification process

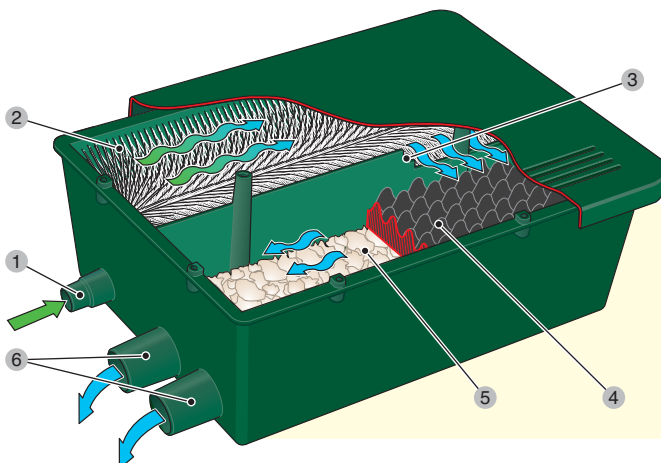

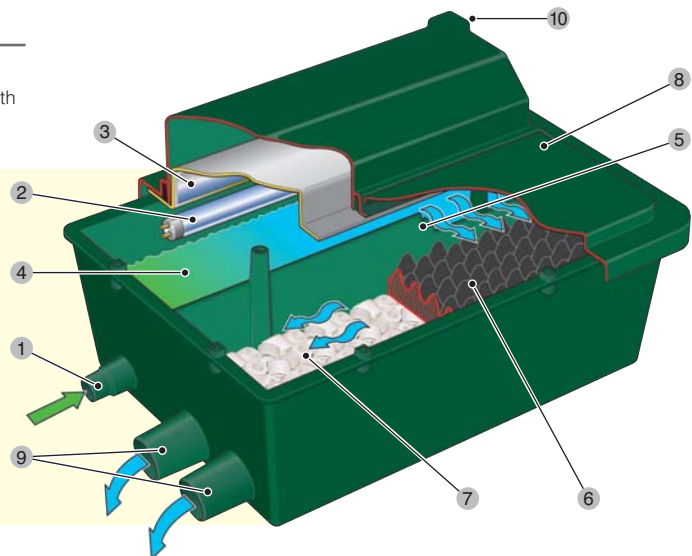

POSITION "CLEAN"

Simply turn the knob and the foam will be squeezed by up to 1000lb force through water pressure forcing out pond sludge.

500 G-UV (Ref. 226US)

- Combined UV and biological filtration for crystal clear purified water
- Flip up lid for easy maintenance
- Frostproof quartzless UV chamber
- Includes **SUPRA+** bio media
- Coloured green to blend in with natural surroundings
- 3 year guarantee

- 1 Multisized inlet: 3/4" or 1"
- 2 Easy to replace UV tube
- 3 High efficiency UV reflector
- 4 Large capacity, slow flow U V chamber ensures efficient algae clumping and acts as primary settlement chamber
- 5 Flow gauge enables you to easily ensure the correct flow through your filter
- 6 Profiled filter sponge for mechanical filtration (supplied)
- 7 Fish Mate **SUPRA+** biological filter media (supplied)
- 8 Hinged lid allows easy access
- 9 1 or 2 outlets. May be extended with 1 1/2" hose if required
- 10 Fitted with 16' power cable

1000 G-BIO (Ref. 228US)

- Powerful 3 stage mechanical and biological filtration for optimal water quality and healthier fish
- Easy filter maintenance
- Designed to blend with natural surroundings
- Includes **SUPRA+** bio media
- 3 year guarantee

- 1 Multisized inlet: 3/4" or 1"
- 2 Primary mechanical filtration brush / settlement chamber
- 3 Flow gauge enables you to easily ensure the correct flow through your filter
- 4 Profiled filter sponge for mechanical filtration (supplied)
- 5 Fish Mate **SUPRA+** biological filter media (supplied)
- 6 1 or 2 outlets. May be extended with 1 1/2" hose if required

P7000 POND FISH FEEDER (Ref. 348)

The Fish Mate P7000 Pond Fish Feeder is suited to larger ponds for use with pellet or 'stick' food. Variable feed sizes are dispensed at programmed times or on demand at the touch of a button.

- 6.5lbs / 30 cup capacity dry food hopper.
- Easy to use LCD control with approximately 6 to 9 months battery life in continuous use
- Unique feed mechanism ensures accurate and consistent feed sizes from 3 teaspoons upwards
- Weather-resistant
- Can be fastened to a secure base for increased stability
- Suitable for most popular food sticks and pellets

P21 POND FISH FEEDER (Ref. 211)

For smaller ponds and large aquariums, the P21 will dispense food daily over a period of several hours for approx 21 days. The fully weatherproofed P21 may be pole-mounted at waters edge or suspended over the water.

- Reliable and accurate quartz timer
- Over 1 year's continuous use from 1 x AA battery
- Battery condition indicator
- Food capacity of approximately 21 daily meals
- Food served over several hours - keeps fish active and reduces danger of overfeeding
- Adjustable feed quantity and timing for all fish foods
- Easily suited to all ponds and large aquariums

F14 AQUARIUM FISH FEEDER (Ref. 207)

This versatile feeder may be mounted on the aquarium hood, on a condensation tray, or on the glass edge of the aquarium with the brackets provided.

- Reliable and accurate quartz timer
- Over 1 year's continuous use from 1 x AA battery
- Battery condition indicator
- Serves up to 14 individual meals while you are away
- Food served over several hours - keeps fish active and reduces danger of overfeeding
- Accurate feeding of all fish foods, including flake
- Easy to use timer provides from 1 to 4 meals per day

FISH MATE®

Pet Mate Ltd, established in 1986, is dedicated to providing customers well designed, innovative, high quality product at competitive pricing with a high level of customer service. To this end, all products under the **Fish Mate** brand are manufactured in compliance with the most demanding standards.

As a measure of success, **Pet Mate** now supplies distributors in 40 countries. Since 1991 distribution in the North American market has been handled by **Ani Mate** - a wholly owned operating division of **Pet Mate Ltd**.
