BPTT is fully committed to the principles of equality of opportunity and takes its responsibility very seriously in ensuring that no one involved in table tennis whether a member of staff, a volunteer or member receives less favourable treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

Additionally, the organisation recognises that we live in a diverse society and will take all necessary steps to ensure that anyone participating in our sport in whatever capacity will be treated fairly and offered the same opportunities regardless of their socio-economic backgrounds.

BPTT will encourage its affiliates and any other partner organisations to adopt and demonstrate their commitment to the principles and practice of equality as set out in this Equality, Diversity and Inclusion Policy.

## **Detail**

Equality is about making sure people are treated fairly and given fair chances, it is not about treating everybody the same way.

Diversity is about recognising, valuing and managing difference and acknowledging that individuals have different needs which can be met in different ways.

Inclusion is to embrace all people irrespective of race, gender, disability, medical or other needs.

BPTT fully recognises its legal obligations, and will abide by the requirements of the Equality Act 2010 and any later amendments to the Act or subsequent equality related legislation that may be relevant.

## **Statement of Intent**

BPTT:

- 1) wishes to act as an example for all its members and affiliated organisations for Equality, Diversity and Inclusion and will work to influence and promote good practice throughout table tennis.
- 2) will ensure that the responsibility and accountability for equality is placed at the most senior levels of the organisation with the Chairperson having overall responsibility and accountability for the effective implementation of this policy, and the Senior Management team monitoring the effectiveness throughout.
- 3) will include Equality, Diversity and Inclusion into all aspects of its work with reasonable steps being taken to ensure that all staff, athletes, volunteers, consultants and contractors etc. are committed to this policy.
- 4) will ensure that no job applicant or staff member receives less favorable treatment on the grounds of any protected characteristic – see Appendix 1
- 5) will work to ensure that there will be open access to all those who wish to participate in sport and that they are treated fairly.

6) is committed to ensure that all individuals are able to conduct their table tennis related activities free from bullying and harassment and has implemented a policy for dealing with such matters (see Anti Bullying and Harassment Policies).

7) Is committed to sports equality which is about:

- a) Fairness in sport, equality of access, recognising differences and taking steps to meet them
- b) Changing the culture and structure of sport to ensure it becomes equally accessible to all members of society
- c) Making sure all individuals can realise their talent and fulfil their potential
- d) An individual's responsibility to challenge discriminatory practice and promote inclusion.

## **Discrimination, Harassment, Bullying and Victimisation**

Direct Discrimination – occurs when someone is treated less favourably than another person because of a protected characteristic – see Appendix 1

Indirect Discrimination – occurs when there is a condition, rule or practice which applies to everyone but particularly disadvantages people who share a protected characteristic – see Appendix 1

Harassment – engaging in unwanted conduct relating to a relevant protected characteristic – see Appendix 1 or unwanted conduct of a sexual nature where the conduct has the purpose or effect of violating the recipient's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for the recipient, or any other individual affected by such conduct. It also includes the right for individuals to raise an issue that they find offensive even if it is not directed at them.

Bullying – the misuse of power or position to criticise persistently or to humiliate and undermine an individual's confidence.

Victimisation – when someone is treated badly because they have made or supported a complaint/grievance about discrimination or harassment under the Equality Act 2010, or are suspected of either making or supporting such a complaint/grievance. An individual is not protected from victimisation if they acted maliciously, or made or supported an untrue complaint/grievance.

BPTT regards discrimination, harassment, bullying or victimisation, as described above, as serious misconduct. All complaints will be taken seriously and appropriate measures including disciplinary action may be brought against any member who unlawfully discriminates against, harasses, bullies or victimises any other person.

Implementation, Responsibilities and Communication BPTT will:

- a) make a copy of this policy available to view and download on its website which makes it clear that all individuals have responsibilities to respect, act in accordance with, support and promote the spirit and intentions of this policy.

- b) ensure that this policy is an integral part of the recruitment, induction and on-going training for all staff.
- c) recognise that it has a duty to make reasonable adjustments for disabled people. It will consider all requests for adjustments and where possible will accommodate reasonable requests.
- d) work with disabled members and staff to implement any adjustments that will enable them to participate more fully in table tennis related activities.
- e) ensure that consultants, contractors, partners, agents, advisors etc are appointed fairly and equally and are directed to this policy on the website and will be required to demonstrate their commitment to the principles and practices of this policy.
- f) strive to achieve the appropriate equality standards as guided by UK Sport.
- g) continue to support an Equality, Diversity and Inclusion Plan within which specific roles, responsibilities and resources are allocated. Progress against the plan will be monitored by the Board through the Senior Management Team at least twice per year and then in the Annual Report along with supporting statistics and data.
- h) ensure all managers are required to set an appropriate standard of behaviour, lead by example and ensure that those they manage adhere to this policy and promote the organisation's aims and objectives with regard to Equality, Diversity and Inclusion.
- i) encourage individuals involved in our sport not to discriminate against or harass any other individual in the course of their duties or role.
- j) make individuals aware that they can be held personally liable as well as BPTT, or instead of, for any act of unlawful discrimination. Individuals who commit serious acts of harassment may be guilty of a criminal offence as well as gross misconduct. There is no limit on compensation for unlawful discrimination.

## Actions

BPTT may take positive action in the form of proportionate measures to encourage or train people from under-represented groups to apply for jobs, overcome a perceived disadvantage or meet specific needs based on a protected characteristic – see Appendix 1.
