# SHADE FACTORY®

# SHADE FACTORY®

## Longevity • Durability • User-friendly

Umbrellas are the perfect solution to make “pockets” of shade, with multiple style options available.

Maximize personal outdoor spaces with shaded activity and lounging areas.

## MATERIALS

Shade Factory® offers high quality umbrellas featuring high UV light hour protection, strong aluminum or wood construction and easy function.

# MATERIALS

**Shade Factory® offers high quality umbrella bases, available in multiple materials, weights and styles.**

## BASE CONSTRUCTION OPTIONS

SOLID GRANITE

CEMENT AND CERAMIC TILE

CONCRETE

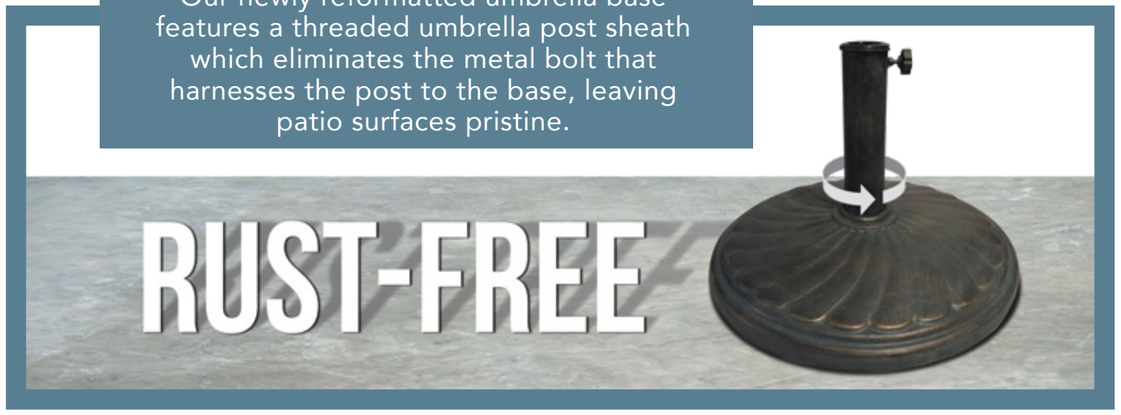
POLYCRETE

ENVIROSTONE® RESIN

100% PLASTIC

**GHP'S PATENTED UMBRELLA BASE DESIGN HAS COMPLETELY REMOVED ALL SOURCES OF RUST.**

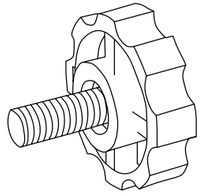
Our newly reformatted umbrella base features a threaded umbrella post sheath which eliminates the metal bolt that harnesses the post to the base, leaving patio surfaces pristine.



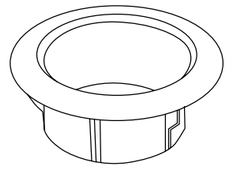
STABILIZING HOLDER

# UMBRELLA BASE DESIGN

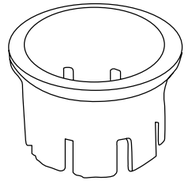
The average umbrella base allows the umbrella post room to lean and teeter within the base, but GHP umbrella bases feature a stabilizing holder that guides the umbrella pole into a centered and upright position.



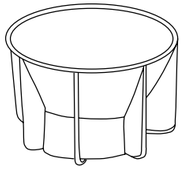
TENSION SCREW



PLASTIC TOP



ADAPTER RING



SELF-STRAIGHTENING CUP KEEPS POLES STRAIGHT

SHADE
