

Nathalie Pymm Artist & Printmaker

Nathalie is a printmaker and artist working full time in her garden studio in Amersham, Buckinghamshire. She started printmaking over twelve years ago after visiting a friend who is a printmaker and fell in love with the process of lino cutting. Now she loves creating lino prints using the reduction method where more than one colour is used on each print. Her lino cut prints are inspired by flowers, her travels, architecture, and anything that catches her eye. Nathalie also teaches workshops in lino printing in her studio.
