

Lindsey Graham Print maker

The serendipity of printmaking processes excites me. Working in collagraph, etching and linocut. I am inspired by nature and the human face; exploiting texture as much as possible. Exhibiting internationally, I enjoy the discipline of creating miniprints. As a member of Buckinghamshire Art Society and Leicester Print Workshop I helped set up Buckingham Art for All (Bafa) in 2008. I co-ordinate the Bafa Art Trail and Printmakers Network; both of which I initiated to support artists in developing their skills.
