

About Us

For over 20 years, **Mvava** has been a leader in the manufacturing and distribution of high-quality switches and sockets. The company was founded in 1997, **Mvava** provides a full spectrum of high-quality products to reach customers' demands worldwide. Today, **Mvava** High-quality Switches and sockets are available globally through a wide range of distributors and extensive sales representatives. We aim to provide the best customer experience ever!

BSEED is a high-end brand of **MVAVA**. We produce premium-quality products of modern design to business buyers, with professional customer support services and regional delivery services. We understand that it can be time-consuming and costly to contact suppliers and arrange delivery, it can take 1-2 months for shipment. Thus, **BSEED** introduces Regional Delivery Service in UK, EU, Russia, and other countries to reduce shipping time to 3-7 days and minimum orders to 10 PCS, with the aim to make your order process the most convenient.
