

Moduleo 55 Herringbone

BEYOND
FLOORING

○ Laurel Oak 51824

The Herringbone pattern is one of the most successful flooring patterns ever created and dates back many centuries. The fact that it's found in grand castles just as well as modern day family homes is a clear sign of the charm and diversity of this pattern - a true timeless classic.

- Dryback
- 4 sided bevel
- 0.55mm wear layer
- 2.50mm total thickness
