

CERTIFICATE OF ANALYSIS

Customer: TMC Industries, Inc.
Waconia, MN

Purchase Order: **NA-PR-500406**

Customer PO No. **30691-10-062424-1**

Product: InfinX HaloVac 600

Package Code: HV600-60G-SY

Lot# C1G24018

Quantity: 5 x 60g Syringes

Date of Certification: 7/9/2024

TEST	Method	Result
Color	Visual	White
Appearance	Visual	Smooth
Po	ASTM D217	284
P60	ASTM D217	290
NLGI Grade	ASTM D217	2
Oil Separation, 24h at 100°C	ASTM D6184	3.49%
Chemistry	FT-IR	Pass
Volatility	TGA	409°C

The volatility of the grease was determined by TGA, thermogravimetric analysis. The recorded temperature represents the temperature required for the grease to lose 5% of its initial weight.
