

**PRECAUTIONS**

1) DO NOT EXCEED THE POWER RATING marked on the rear connect plate. Excessive power will destroy drivers. 2) DISTORTION from power amps will destroy drivers much faster than clean power. 3) WATER, MOISTURE, and DUST are harmful to drivers causing failure which is not covered under warranty.

**WARRANTY**

CARVIN loudspeakers are covered by a ONE year limited warranty unless otherwise stated. Warranty coverage is limited to original manufactures defects only. **WARRANTY DOES NOT COVER:** 1) Opened or burned voice coils. 2) Torn cones caused by improper packing or abuse. 3) Damage from rain, moisture, ETC. When returning defective driver(s), remove them from the enclosure to reduce shipping costs. DO NOT stuff paper into the driver(s). Return pre-paid by UPS. Include your address and description of the problem. Your driver(s) will be returned COD for the cost of shipping and reconditioning if not covered under warranty.

Carvin's VE212 Extention speaker cabinets are constructed of the finest materials and are built to the toughest standards in the industry. Moreover, they are loaded with the best all-around sounding 12" drivers available. These speakers are capable of crystal clear "Clean" tones and yet can be driven hard to achieve that familiar "British" over-drive sound, with plenty of midrange and bass response. The enclosure is built from light weight, yet incredibly strong, poplar plywood and is covered in rich black protective vinyl. Steel corners, a top strap handle and a steel mesh grill further protect and enhance your investment.

**RECEIVING INSPECTION**

INSPECT YOUR SPEAKER FOR ANY DAMAGE which may have occurred during shipping. If any damage is found, please notify the shipping company & CARVIN.

SAVE THE CARTON & ALL PACKING MATERIALS. In the event you have to re-ship your unit, always use the original carton and packing material. This will provide the best possible protection during shipment. CARVIN and the shipping company are not liable for any damage caused by improper packing.

SAVE YOUR INVOICE. It will be required for warranty service if needed in the future.

SHIPMENT SHORTAGE. If you find items missing, they may have been shipped separately. Please allow several days for the rest of your order to arrive before inquiring.

RECORD THE SERIAL NUMBER on the enclosed warranty card or below on this manual for your records. Keep your portion of the card and return the portion with your name and comments to us.

**TYPICAL LOUDSPEAKER IMPEDANCE CONFIGURATIONS**

Individual speaker or speaker cabinet wiring examples for total impedance.
