

WHY CHOOSE TEA AS A GIFT

Tea is a product that naturally has Longer shelf life Hence it can be used for months without damage.

Tea induces calmness. Release your stress with a mindful cup of tea. Tea relaxes your muscles and increases blood flow

Tea connects you to nature.
Drinking unblended and blended teas that are mindfully sourced and are made from natural ingredients helps you have the true taste of the tea. Away from preservatives and artificial flavouring.

Rejuvenating

Hot or cold, when you sip tea the goodness reaches your soul and soothes your body. Tea nurtures you from inside

Tea warms you from inside and protects you from illnesses. Tea is packed with antioxidants and boosts overall health. Drinking tea makes you healthier at heart, body and mind.

A good tea is full of flavour.
Flavourful tea soothes your mind.
Drinking tea cleanses your palate
and leaves a good taste on your
taste buds
