If you need a hotel to stay at while you are in Las Vegas, you might want to try and stay at one that is not owned by someone else. This might give you a better chance of getting a good deal because the hotel is not owned by someone else. You can still stay at a Las Vegas hotel owned by someone else. You just need to make sure that the rooms are clean and if the rooms are in decent condition you will be able to take advantage of them. Many people who are looking to use Las Vegas hotels as their home base choose to stay in an apartment or condominium rather than a hotel. These apartments are usually not very expensive and you can save quite a bit of money using them.

If you are trying to stay in Las Vegas at a discount then you will want to check out what the hotel has to offer you. Some hotels have promotions that go for longer periods of time. If you do this you will be able to save a lot of money over your stay. There are also promotions that happen every day of the week. You can find some great deals through these promotions. There are a lot of great deals to be had if you are willing to look for them. Keep in mind though that you will want to make sure that you are staying in a clean room so that you don't end up having to worry about a lot of dirty towels when you leave the hotel.
