SAFETY

DO NOT exceed weight of 100kg on the stand.

DO NOT attempt to wind up and/or down, it is fixed into position for your safety.

DO NOT get any part of the stunt stand wet and store in a dry place. Indoor use only.

Product is not designed to spin for flyer skill rotations as we decided this feature could be dangerous to users and train incorrect twisting technique.

If the product breaks or any part becomes loose, cease use immediately.

Caution: *Injury could result from improper use of this product. This product should only be used with proper supervision and for its intended purpose.*

YOU USE THIS PRODUCT AT YOUR OWN RISK
