Includes:

- 2 Multi-function brush
- Power adapter
- High efficiency filtration + rear filter
- Cleaning brush
- Wall mount charging deck
- Extension hose
- Mattress brush
- Water Tank Module

Additional information:

Model: XCQ06RM
Rated voltage: 29.6V
Rated power: 435W
Motor: 120000Rpm
Suction Power: 138W
Battery capacity: 2500mAh/72Wh
Product size: 1191×259×158mm
Charging time: 2.5h
Charging method: Magnetic wireless charging
Filtering system: 6 layer filtration
Dust cup capacity: 0.4L
Functional category: Mop and suction combination
