UNEXPECTED GUEST

DISTILLERY

Unexpected Guest is a **mobile gin experience**, providing a unique spin for your wedding. With fun and funky cocktails, you can make your event stand out with our distillery on wheels.

Travelling across NSW direct to event locations, Unexpected Guest offers immersive packages to create the ultimate gin experience.

Immerse into the unexpected process

Unexpected Guest delights in **delivering joy, wonder, and emotional intensity** through it's unexpected experiences, flavours and products.

Attendees enjoy our award-winning gin in fun inventive ways with our iconic orange retro kombi as a back drop to your perfect event.

How it works:

Before the event:

When you've picked your package, and secured your date with a deposit, we schedule a cheeky consultation.

This is a gossip sesh like no other, we discuss your location, the set-up, you pick your cocktails. It's a lot of fun.

We schedule a second shorter catch-up closer to the wedding day, so we can go over the run sheet, making sure you're happy and that everything is going smoothly.

At the event:

Unexpected Guest will be on location an hour or two early, depending on the size of the set up, to make sure everything is perfect for your event.

Then your event bursts into action, drinks will be flowing, laughter will be heard and people will be lining up to enjoy the delicious cocktails you've chosen.

We do a final call for drinks 15 minutes before wrapping everything up. Then when the time is right, we clean our space and into the night we ride.

Each package includes...

- The price of each package is inclusive of alcohol (Unexpected Guest Gin), garnish, mixers, cocktail ingredients and ice.
- Orange vintage Volkswagen Kombi hire
- Service capabilities for more than just Unexpected Guest alcohol
- Eco-cups, straws, napkins
- RSA qualified team
- 1 - 2 consultations
- Pack down and clean up of area
- Bar snacks

The most frequent... of frequently asked questions

How are travel costs calculated?

Our distillery is based in Marrickville, within a 50km drive from our facility travel is FREE!

Outside of that 50kms, we charge \$1 per km, there and back.

If you want to work it out yourself, rule of thumb is go to maps on your device and look at how many kms there are between your desired location and our facility (12 Cadogan Street, Marrickville), times it by two (for there and back), then minus 100, cause the first and last 50kms are always free!

Do we have to put down a deposit?

Yes, a 50% deposit is required to secure your day and date.

20% of your total invoice is not refundable if you cancel. If you move your date that's ok, but if someones already booked that same day, you won't be able to move.

Do we HAVE to supply food during your serving period?

Yes, in accordance with NSW Liquor and Gaming, as well as our licence, food must be present during our service. This can be in the form of canapes, charcuterie, entrees or mains.

Can you park and serve from your vintage kombi anywhere?

In principle yes, however we need ample time to allow for permission - if you're not on private property we may need to reach out for council approval. In many cases we will need to define the drinking area with cute fences, rope or ribbon. Whatever works for your theme.

Can you make mocktails?

YES!
